RE: 1. Service of the Summons to defendant on the case # 23-CV -2399 (LDH) (CLP)
2. Service of the Order dated July 6th 2023 on the case # 23-CV -2399 (LDH) (CLP)

Dear Judge Pollak,

I am Yerkyn Amirkhanov filed a lawsuit (# 23-CV -2399 (LDH) (CLP)) as a plaintiff against the citizens of the Republic of Kazakhstan - Klebanov Alexandr, Kan Sergey, and the state organization – The National Security Committee of the Republic of Kazakhstan. In accordance with the Federal Rules of Civil Procedure, two of the three defendants including individual - Kan Sergey and the National Security Committee of the RK were served within 90 days from the date the Complaint filing. Regarding the service of the third defendant - Klebanov Alexandr, the extension by August 8th 2023 was granted.

1. To serve Klebanov A. with the Summons all possible measures were taken from my side, specifically the following was carried out. Klebanov A. indicates his permanent registration address: 12 Makataev str, appt. 53, Almaty, Kazakhstan, which is the permanent residence of his sister Babayeva-Klebanova Anna. My representative has visited this address for several times, but no one was found there. As it was indicated by some neighbors, Babayeva-Klebanova A. was on a vacation, whereas according to others she left a long time ago, and it is unknown when she will return (we have video recording confirmation about these attempts).

Then, my next step was to send the documents (summons, case materials, Court notice, and Order from July 06, 2023) by DHL postal service abroad to the address which is known to me, namely in France: 985 Chemin Du Retenaou Valluris, 06220, France. This is the address of the house belonging to him, namely, the house is registered to a company whose owners are Klebanov Alexander and Klebanov Yakov (son). Usually this was his residence while stay in Europe. The package was successfully delivered by DHL and served to a person who identified himself as

Klabanov B. Since this delivery was carried out by a DHL courier, I personally filled out a proof of service (Attachment # 1). Also attached please find the following:

- DHL confirmation dated July 24th, 2023 and correspondence with DHL on the details of this delivery (Attachments # 2, proof & details);
- extract from the National register of Companies of the Republic of France dated July 29th 2023 (Attachment # 3) in French with English translation.

In addition, the full above mentioned package addressed to Klebanov A. was sent by DHL postal service to the office of "CAEPCO" JSC, where Klebanov, being the Chairman of the Board of Directors, has his office in Kazakhstan. The DHL confirmation for this delivery please find as Attachments # 4 (proof & details).

2. In regards to the Order of Honorable Judge Pollak C.L. dated July 6th 2023 the following proofs of service are provided.

2.1. The defendant - National Security Committee of the Republic of Kazakhstan was served with the Order by DHL postal service on 25th July 2023, please see the confirmation (Attachment # 5 proof & details).

2.2. To serve the defendant Kan Sergey, my representative addressed to his permanent office on 9th floor of Rixos hotel, 506/99 Seifullyn str., Almaty, Kazakhstan, where the initial service of summons took place. This his daytime permanent location. However, my representative was not allowed into Kan's office and no documents have been accepted from him. Then I've sent a package with an order by DHL postal service to his permanent residence at the address: 291/22 Dostyk Avenue, Almaty, 050020 Kazakhstan. DHL in accordance with their procedures has made three attempts of delivery, and on this third time they agreed personally with Kan to serve the shipment on the next (4th) delivery on July 31st, 2023. But on July 31st, the package was not delivered by DHL, no reason was provided. As a confirmation please find DHL report in Attachment # 6 (details of shipment). Thus, despite the repeated attempts, the Order hasn't been served yet due to the obvious evasion of Kan S. from receiving any court materials. At the moment I'm trying to make this service, and these proofs will be provided additionally by August 8th 2023.

Please find 6 attachments on 17 Pages.

Sincerely,

Yerkyn Amirkhanov
